

Saint Theresa's Religious Education Program

You're
invited

Please join us for our program's last class on Sunday, May 6th 2018

Time: 8:30am Crowning of Mary Celebration in Church

9:00am – 9:45am Mary Craft Activity in Fr. Lamothe Center

Help us celebrate the conclusion to our Religious Education Program this year by joining your children (our students) in the celebration of the Crowning of Mary followed by a craft activity in honor of Mary in the Fr. Lamothe center.

Students, family members, and parishioners are asked to go directly into the church at the Religious Education start time @ 8:30am. **do not go to the classroom*

Fr. Thien will lead us in the celebration of our Blessed Mother, Mary. The choir will lead us in song. We will then honor Mary with crowns of flowers at both statues, inside and outside.

At the conclusion of the Crowning ceremony, we will be going into the Fr. Lamothe Center to create a craft to take home. We do hope you can come celebrate Mary and our student's successful religious education year!

If you have any questions regarding this celebration or the religious education program, please contact our office, either via email or telephone.

Thank you and God Bless!

Toni Harvey, Coordinator Religious Education
