

**St. Theresa Catholic Church  
630 Rathbun Street  
Blackstone MA 01504  
Permission for Alternate Dismissal 2016-2017**

The dismissal policy for the Religious Education Program for 2016-17 provides that our teachers will bring their students to the Fr. Lamothe center for dismissal once classes end at 9:45am.

For those older students whose parents have given their children permission to be released without being picked up by a parent or other adult, you must complete the release below, return it to either your child's classroom teacher or the religious education office. Without the signed release, you will be required to pick your child up in the Fr. Lamothe center at the conclusion of our classroom sessions at 9:45am.

---

I give my child permission to leave the Fr. Lamothe Center during classroom dismissal without being picked up by a parent or other adult. I understand that the religious education program and the parish are not responsible for supervising my child once they have been dismissed from their classroom.

I understand that attending Mass is a part of my child's religious education program.
